# THE VILLAGES COMMUNITY ASSOCIATION

## MEMBERSHIP INFORMATION

The Villages Community Association offers many advantages to the buyer. In order to protect and preserve these benefits, however, certain limitations and restrictions are placed on owners within the Association.

The Villages Community Association is a California nonprofit mutual benefit corporation consisting of those owners of homes within the boundaries of The Villages.

The purpose of The Villages Community Association is to ensure that the common area will be maintained in an attractive manner for the enjoyment of all residents. Your automatic membership in the Association provides a membership base to share in the costs of maintaining the community.

The attached rules, regulations and policies have been developed with consideration given to providing each resident without infringing on other residents and their rights to quiet enjoyment of their homes and community.

Although these rules and regulations support the Covenants, Conditions and Restrictions (CC&Rs), they do not cover the entirety of the document. Please be sure to read the CC&Rs carefully.

The Community Board is composed of five (5) Owners/Residents elected by the Community. Board members are elected for a one (1) year term. They are people who volunteer their time, their skills and their energy toward maintaining and enhancing the value of your investment and to make The Villages a pleasant environment in which to live.

### COMMUNITY BOARD

The Board is empowered under Article IV, of the CC&R's to establish, without the consent of the members of the Association, any rules or regulations that it deems reasonable with regard to the use, occupancy and maintenance of the individual Lots, Community Common Area; by owners, their tenants or guests and the conduct of such persons with respect to vehicular traffic, parking, control of pets, and other activities which, if not regulated, might otherwise detract from the appearance of the community, be offensive, cause inconvenience or danger to persons residing in The Villages.

## OWNERS, TENANTS AND GUEST VIOLATIONS:

Owners, tenants, and guests are bound by the CC&R's, Architectural Guidelines and the Rules and Regulations of this Association. Owners are held responsible and liable at all times for the actions and conduct of their families, guests, and tenants while within The Villages.

All owners, tenant and guest violations of The Villages CC&R's and Rules and Regulations, will be cited against the Owner of the lot from which the violation originates. The Owner will be held liable for payment and any penalty assessment levied for the tenant or guest's violations, as well as costs or fees incurred by the Association for the repair or replacement of any damage caused to Community Common Area. Owners are not precluded from collecting reimbursement from their tenant. It is the responsibility of every owner to advise their guests or tenants of the Association Rules and Regulations.

## USE RESTRICTIONS OF COMMON PROPERTY:

Each owner has a vested interest in the Community Common Area and should therefore treat these areas with the same pride of ownership and care as that given to his/her lot. The rules must be observed to protect your investment.

## COMMON AREA RULES

### Owner Liability:

1. Owners are responsible at all times for their own conduct and actions, owner's families and guests, their tenants', tenants families and guests and other occupants of the owners' lot.
2. Owners will be held liable for all enforcement assessments resulting from violations of The Villages Rules and Regulations by said owner, owner's families and guests, their tenants, tenants' families and guests and any other occupant of the owners' lot.
3. The owner will also be held liable for all costs incurred by The Villages Community Association for the repair and replacement of damaged common property due to negligent or willful damage or the removal of said common property by any of the above said occupants of the owner's lot.
4. In addition to the recovery of repair and replacement costs, enforcement penalty assessments may be levied against the owner, which may include attorneys' fees, litigation costs, interest and other charges related thereto.
5. Owners are prohibited from destroying, removing or altering the landscaping in the common area, in any manner, regardless of the condition of the plantings.
6. Littering of the common area is not permitted, including but not limited to the disposal of dirt, trimmings, or other materials. The cost of cleanup or removal shall be that of the owner who's lot the material came from, and/or who disposed of the material.
7. ### PARKING RULES

1. With the exception of maintenance vehicles or equipment, all motor vehicles shall be operated only upon paved roads within The Villages Community Association. No off-road riding shall be permitted.
2. No trailer, camper, boat, recreational vehicles used or operated for commercial purposes, or similar equipment shall be permitted to remain upon any portion of The Villages Community Association, including private driveways. Temporary parking for loading, unloading, or cleaning shall not exceed 48 hours, and also shall not exceed three (3) times per month. For example, if you park a commercial or recreational vehicle within The Villages more than three times per month, or it is within The Villages for more than 48 hours, you are in violation of this rule. Please refer to CC&R's, Article 12, Section C for additional information. The term Commercial Vehicle is defined as any motor vehicle or vehicles used or maintained for the transportation of persons for hire, compensation or profit, and designed and used, or maintained for the transportation of property, including, but not limited to, buses, motor trucks, trailers, semi-trailers, trailer coaches or truck tractors as defined in the Vehicle Code, and similar vehicles with a width in excess of ninety inches as measured at the widest portion of the body not including mirrors. 3. Vehicles owned, operated, or within the control of any resident shall be parked in the garage of such residence and the garage shall be maintained so as to be capable of accommodating vehicle parking. No more than two (2) vehicles (3 vehicles with a 3-car garage) may be parked in any driveway at any one time, thus keeping the sidewalks free for people walking on said sidewalks. No vehicle may block sidewalk/pedestrian walk way. No vehicles may be parked on landscapes or unpaved areas. Vehicles that are not otherwise prohibited from driveway parking by the Association's CC&Rs or these Rules, and that are regularly used, may park on the driveway. "Regular use" means the vehicle is registered, street legal and used at least twice a week for running errands, traveling to appointments or similar residential uses. Vehicles that are not in regular use may not be parked or kept on the driveway. Non-operable vehicles may not be parked or stored in the community (except in an enclosed garage or other fenced/enclosed area as approved by the Architectural Control Committee). Vehicles parked on the driveway must be maintained in a neat and attractive condition.

## **DROUGHT TOLERANT LANDSCAPES**

Please refer to Pages 90 and 91 of the Architectural Control Guidelines for further information.

### **NUISANCE POLICY**

An owner can contact local county agencies to help with a persisting matter. If it is a barking dog issue, you may contact the County Animal Control Agency at 888-636-7387 (option 1); if the noise is from stereo speakers, parties, etc., you may call the Temecula Police Department at 800-950-2444 (option 5).

If the offending Owner has not been cooperative in resolving the situation and the local agencies have not been effective in this situation, then the following steps may occur:

1. The complaining Owner shall submit written correspondence (Exhibit "A") to the Association Board, indicating the problem, the dates and specific hours that the reported nuisance occurs. At this point, the Board may exercise its discretion and decide, based upon the information presently available, to take no further action because of inability to substantiate the claim or because the Board presently believes that The Villages Community Association involvement is unwarranted.
2. If a claim has been substantiated, the Board may direct Management to send a letter to the offending Owner to request resolution within a time period set by the Board.
3. If compliance is not met within the time period set by the Board, the Board may request the offending Owner to attend a hearing with the Board of Directors.
4. Once a hearing has been held with the offending Owner, and a letter is received by the complaining Owner after the date given by the Board at the hearing for resolution verifying the problem still exists, a date will be set with the offending and complaining Owner for a mediation meeting with the Board.
5. Once a mediation meeting has been held with the complaining and offending Owner(s) and a resolution still cannot be reached, then the complaining Owner is requested to engage in Alternative Dispute Resolution pursuant to California Civil Code section 1354. The cost to mediate this would be split between the Owners.

The Association will not become involved until all of the above efforts have been made to mediate and/or arbitrate the dispute and all claims have been submitted to the local authorities that would have jurisdiction over the particular nuisance.

The Association has the discretion to determine whether or not to file a suit in regard to Owner disputes and will exercise this discretion on a case-by-case basis consistent with the governing documents and applicable California law.

## **ENFORCEMENT PROCEDURE**

### 1. Discovery of Violation

- A. Any violation that is an alleged violation of the governing documents for the Association will be processed according to the procedures outlines herein. Any owner of The Villages may report a non-nuisance violation or infraction, in writing to the Management Company. Anonymous reports will not be considered.
  
- B. In the event one or more owners of the Association files a Violation Report that is confirmed, or an inspection by the Association or it's authorized agent reveals a potential violation, the Board may act as follows:
  - 1. Management will first send a "Friendly Reminder" letter to the owner. If the violation is not corrected, Management will then send a second "Notice of Violation" letter to the owner stating the alleged violation and date by which such violation must be cured.
  
  - 2. Upon expiration of the cure date, if the violation still exists, a third letter will be sent stating the failure to abide by the Association Rules and Regulations, CC&R's or Architectural Guidelines and the owner will be asked to attend a hearing with the Board of Directors or its appointed Hearing Committee. This letter will inform the Owners of the penalties which may be imposed at the hearing.
  
  - 3. Within five (5) days following the hearing, the owner will be notified as to the decision rendered by the Board of Directors or Hearing Committee as a result of the hearing. If the owner is found to be in violation of the Association documents, the Board will either a) seek remedy by use of the legal system; b) apply monetary fines to the owners; c) suspend voting privileges; d) correct (or caused to be corrected) the violation and assess the Owner for costs; e) issue an extension for violation to be cured; or f) any combination of the above.
  
  - 4. If the decision is to pursue a monetary fine system, The Villages Fine Schedule will apply. Refer to Assessment Collection Policy and Standards For Payment Plans effective 2015 (copy attached)

NOTE: A violation is defined as an act in conflict with the CC&R's, Bylaws, Rules and Regulations and/or Architectural Guidelines of the Association.
